Subject: We Need Your Sponsorship To Help Open The Mark and Jacob Iskander Family Foster Services Agency by the end of 2023

Greetings,

I hope this letter finds you well. We are writing to you with heartfelt enthusiasm and a noble cause that has potential to change the lives and contribute positively to our community.

Three years ago, our community was forever changed when we lost Mark and Jacob Iskander in a heartbreaking incident. These young lives were cut short while crossing in a marked crosswalk, leaving behind a family shattered by grief and a community united in sorrow. It's been almost three years since that tragic day, and the pain still lingers in our hearts.

Mark and Jacob were more than just beloved members of our community; they were symbols of joy, compassion, and boundless potential. In their memory, we are embarking on a mission that not only honors their lives but also seeks to create a lasting impact that will bring hope and support to those who need it the most.

On September 30, 2023, we will be holding a walk to honor the lives of Mark and Jacob Iskander. The walk will begin at Three Springs Park, where the boys used to play. We plan on walking to the crash site and walking back to the park for a peaceful prayer. This walk holds special significance as we remember the lives of Mark and Jacob and the impact they make on all who knew them and those who never knew them, but still love them. The walk will also serve as a reminder to our community to "Slow Down – Save lives."

The Iskander Family, despite the unimaginable loss they've endured, has displayed remarkable resilience, kindness, and faith. To honor the memory of Mark and Jacob, they have established The Mark and Jacob Foundation. This foundation has already achieved remarkable accomplishments, from building an orphanage in Egypt, to providing essential resources for children in foster care. Furthermore, their commitment to education has resulted in transformative scholarships for at risk children at Ascension Lutheran School and Oaks Christian High School.

As part of the family's efforts to carry on their boy's legacy, the Iskander Family, in partnership with The Good Shephard Foster Family Agency, will be opening a Foster Family Agency in the Westlake Village/Thousand Oaks area BY THE END OF 2023!

The Foster Family Agency aims to provide a loving and supportive environment for foster children, offering them the care and opportunities they deserve. Our goal is simple: to provide a haven for children in need and a lifeline of support for foster families. We are reaching out to you, as an esteemed company in our community, with a heartfelt request to consider sponsoring our event.

The Walk for Mark and Jacob Iskander will be a memorable community gathering, and your support will play an integral role in its success.

We are committed to making this event a success and are confident that your partnership will greatly impact the lives of countless children in need. The Mark and Jacob Foundation is registered as a 501(c)(3) non-profit organization through the Ventura County Community Foundation, ensuring that your contribution will be both impactful and tax-deductible. <https://www.markandjacobfoundation.org>

The Iskander Family will be matching donations up to \$20,000!

Your sponsorship will not only support this event but also contribute to the creation of a brighter future for foster children, helping them find stability, love, and a chance to thrive.

If you have any questions or would like to discuss sponsorship opportunities in more detail, please feel free to contact us at info@justiceformarkandjacob.com. All donations/sponsorships need to be received 7 days prior to event for appropriate signage at event. We expect a large media presence at our event.

Thank you for considering our request. Together, we can make a significant difference in the lives of these children and honor the memory of Mark and Jacob Iskander.

With sincere gratitude,

Julie Cohen
